

Flutes Unlimited will be providing the entertainment for our Senior Citizen/Century Farm program this year.

Flutes Unlimited is a Twin Cities adult flute ensemble that has provided beautiful music for a variety of occasions since September 1986. It is currently comprised of 10 adult flutists, all proficient on the standard C flute. Additionally, several members play piccolo, alto, and bass flute. A truly unique sound.

The Flutes Unlimited repertoire includes numerous works written specifically for flute choir, plus many other arrangements of familiar classical compositions. The group also performs sacred pieces, ragtime, light pop/jazz, Jewish selections, show tunes, and seasonal selections. The ensemble has made four recordings, including a Christmas CD.

The group was originally formed for the purpose of providing a challenging outlet for the amateur flutists in the north suburban area. What began as a small group, that played only in shopping malls during Christmas, has grown into a semi-professional ensemble, whose clientele and performance venues include, among others:
